

KinderQuest

Enrich Your Kindergartener

KinderQuest is an exciting program offered to all children enrolled in Kindergarten for the 2011-2012 school year.

KinderQuest offers opportunities for children to explore, enrich and extend their Kindergarten experience while becoming engaged in a rich learning environment. Children will work individually and cooperatively to explore, experience and create through hands-on activities.

KinderQuest is divided into two sessions per year. Each thematic unit includes activities in science, language arts, math, social studies, reading, art and cooking. Thematic units may include, but are not limited to:

- | | |
|--|------------------------------------|
| The Human Body-Our Bones | Let's Get "Organ-ized"- Our Organs |
| Nutrition and Fitness | Our Five Senses |
| Cloudy With a Chance of Meatballs = "Weather"! | December Holidays |
